

Pinnacle Renewable Energy Wins Safety Innovation Award in Four Categories

On April 24, 2019, Pinnacle Renewable Energy won four awards under Safety Innovators in each of the categories of occupational health and safety management, workplace culture, safety training, and workplace wellness at the Manufacturing Safety Alliance of British Columbia 2019 Awards Gala.

These awards recognize Safety Innovation in Pinnacle as it relates to our Owning Safety culture, our Safety Champions program and All In Owning Safety Days.
